Glens Falls Hospital
FOUNDATION

**ANY DAY.

EVERY ONE.**

Glens Falls Hospital Foundation **GIVING & THANKS**

On behalf of the staff and volunteers of Glens Falls Hospital and the Glens Falls Hospital Foundation, I would like to thank you for your philanthropic support in 2024.

2024 was an exciting year at Glens Falls Hospital. In September 2024, we announced a comprehensive capital campaign with a goal of raising \$15 million for an expanded and renovated Sheridan Family Emergency Department, as well as other key projects and programs at the hospital. The renovation and expansion of the Emergency Department is long overdue, and our goal is to complete the project without incurring any additional debt.

During 2024, our generous community made gifts and commitments that exceeded \$5.4 million. We are very fortunate and grateful to have a generous community that supports our work and values high-quality health care close to home. Please consider continuing your support in this coming year as we work to complete this project.

Our dedicated staff is here for you and your family when you need us – Any Day. Any Time. Every One.

With deep gratitude,

A handwritten signature in black ink that reads "Paul Scimeca".

GRATEFUL HEART PROGRAM

Glens Falls Hospital's Grateful Heart Program recognizes caregivers for their commitment to providing quality care. Whether it is a nurse, physician, or staff member, each caregiver receives a heart charm to be worn on their work badge in recognition of the difference they have made. In addition, each recipient of a Grateful Heart receives a certificate and has their name displayed on the interactive donor recognition display in the Art of Healing Hallway. To learn about the Grateful Heart Program, please visit AlbanyMed.org/GFHFoundation/GratefulHeart or call 518-926-5960.

1897 LEGACY CIRCLE

One of the most significant ways a donor can create a lasting impact on Glens Falls Hospital is by making provisions today for future giving. Making a bequest to the hospital in a will remains the most popular way to make a planned gift. In addition, donors can designate Glens Falls Hospital as their beneficiary on life insurance policies, individual retirement accounts, donor-advised funds, and bank accounts. Other donors prefer to create lifetime income vehicles with charitable gift annuities and charitable remainder trusts, which can result in significant tax savings.

Letting the Foundation know of your intentions in advance allows us to recognize you now and starts a dialogue to ensure that we can carry out your wishes. We are always pleased to work with donors so that they can meet their philanthropic goals. We honor those donors through membership in the 1897 Legacy Circle and by recognizing them in our annual report, keeping them up to date on hospital news and inviting them to events.

Exterior work has begun on the new Sheridan Emergency Department

ANY DAY. ANY TIME. EVERY ONE.

A NEW ERA IN EMERGENCY CARE FOR OUR REGION

On September 7, 2024, Glens Falls Hospital officials announced plans for a major expansion and renovation of the hospital's Sheridan Emergency Department — the first comprehensive overhaul since 1998 — to provide patients and family members with a more comfortable, efficient, private, and personalized care experience.

Our emergency department handles over 40,000 patient visits each year, making it the busiest emergency department between Albany and Montreal. It is the safety net hospital for a large, 6,000 square mile, largely rural region.

Glens Falls Hospital President & CEO **Paul Scimeca** said, "Our Emergency Department is really our front door. When you turn north from Glens Falls it is 114 miles to the next full-service hospital, so we need to be ready for anything 24/7/365. Our patients deserve a more welcoming, comfortable, and private environment, and our emergency department providers deserve the right tools to take care of our friends and neighbors."

Emergency medicine has changed over the past 27 years. We now treat a larger portion of Medicare patients. In addition, the COVID-19 pandemic required short-term modifications to treating patients with isolation needs, ushering in a dramatic increase in post-pandemic behavioral health issues. The emergency department's current physical space is limited in its ability to provide patients and family members with the care experience they want and deserve. We are working to be able to respond to every patient's unique needs from the moment they arrive until the time that they are admitted as an inpatient or discharged home.

The hospital is undertaking a capital improvement project to add 7,000 square feet, expanding the department by 40%. The existing space will also be reconfigured and renovated. Additionally, we relocated and expanded the Emergency Department's Crisis Stabilization Unit (CSU) to a former inpatient space for patients in mental health crises before admission or discharge to a safe setting.

This project will allow us to:

- Create a larger and more comfortable waiting area for patients and their visitors.
- Place a dedicated CT scanner in the department for the first time so that providers can diagnose and treat patients faster.
- Double the number of rooms for the most seriously ill patients, including five rooms that can be quickly converted to safely accommodate the needs of overflow behavioral health patients if needed.
- Construct a new treatment area for patients with relatively minor illnesses and injuries so they will no longer be in the same area where more seriously ill patients are treated.
- Make a new, separate, more private waiting area for patients who have been triaged and are awaiting test results.
- Add a covered portico to the Walk-In Entrance to protect patients from the elements.

LEAD DONORS

When Glens Falls Hospital needed a new emergency department almost thirty years ago, local medical device manufacturer **David S. Sheridan** and his wife, **Janet R. Sheridan**, stepped forward and started the campaign off with a lead gift of \$1,000,000. When approached in 2023 with the hospital's plan to increase the size and modernize the emergency department, the Sheridan Family Foundation agreed to step up with a new \$3,000,000 signature lead gift to the expansion and renovation project.

Speaking for her family's foundation, **Davene Sheridan Brown** explained, "My parents loved where they lived; Washington County is home, so from Whitehall to Granville to Argyle, mom and dad looked for ways to help. They would be so proud of this project. My siblings and I are pleased to make this gift happen, and I thank them for their support."

Soon, the new Sheridan Emergency Department will usher in an enhanced level of quality emergency care here in Glens Falls. I can't wait to see the finished project. Although I hope I never need it, I already know about the quality of the people — the doctors, nurses, and staff — who care for the patients who come to us. This team deserves an Emergency Department that matches their skill, compassion, and commitment. When we do need it, the Sheridan Emergency Department will be there for all of us."

It was no surprise that several other longtime supporters soon followed suit with lead gifts of \$1,000,000 or more.

For more than a century, the Hoopes family has been synonymous with charitable giving in the Greater Glens Falls Region. With family ties encompassing the early years and longtime leadership of the Finch, Pruyn & Co., Inc. paper mill along the banks of the Hudson River in downtown Glens Falls, the family has given generously to the arts, historic preservation, environmental protection, and, of course, to bettering the health of communities across the region. **Maurice Hoopes** served as President of the hospital's board of governors during the 1920s. Glens Falls Hospital has held an important place in the hearts of Hoopes family members for generations. We thank the Hoopes Family Foundation for their heartfelt and generous \$2,250,000 commitment, under the leadership of the late **Kam Hoopes**, to our new Emergency Department.

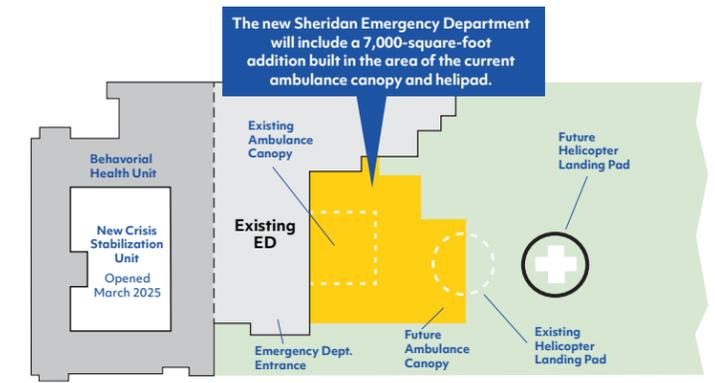

Charles R. (Charley) Wood had the time of his life sharing his good fortune with the region that embraced his dreams. His legacy of giving continues today through the Charles R. Wood Foundation. The visionary founder of the Storytown USA theme park (now Six Flags Great Escape) and many other hospitality businesses across the Lake George region, Mr. Wood established the Charles R. Wood Foundation in 1978

to assist nonprofit organizations, with an emphasis on programs for children, healthcare, and the arts. Glens Falls Hospital is honored to have been the beneficiary of the Wood Foundation's generosity on numerous occasions, including its transformative gift to create our highly respected C.R. Wood Cancer Center. Now, the Foundation's \$1,000,000 gift for our new Emergency Department will help provide a new level of care to people across our region.

Queensbury native, **Susan Conley Salice**, also made a generous \$1,000,000 donation to the Emergency Department Expansion and Renovation project, in honor of her late parents Joe and Theresa Conley and her extended family. Susan understands first-hand the critical role our ED plays in providing vital healthcare to our community 24/7, long after all other healthcare facilities in the area have closed their doors for the day.

"The character of a Hospital is defined in the ED. GFH ED has always led with compassion and dignity and this very necessary space renovation will provide greater efficiency and capacity in urgent care and elevate the patient experience" shared Susan.

A Bigger, Better Sheridan Emergency Department

AN EVENING TO SAVOR

**Glens Falls Hospital
Saturday, September 7, 2024**

An Evening to SAVOR kicked off Glens Falls Hospital's comprehensive capital campaign to raise \$15 million for an expanded and refurbished Sheridan Emergency Department. Just over 300 guests enjoyed a reception, fine dining, and dancing on the grounds of Glens Falls Hospital. A little rain didn't dampen the spirit of the evening, and the excitement generated to welcome in a new era of emergency care. The newly renovated and expanded Sheridan Emergency Department will be 40% larger with 7,000 square feet of new construction and a separate, more private area for those less seriously ill or injured. The number of rooms for those most seriously ill or injured will nearly double and the new Emergency Department will have a dedicated CT scanner.

Thank you to our sponsors and guests for their commitment to help open the doors to a more private, personalized, and comfortable patient experience in the new Sheridan Emergency Department.

CAMPAIGN KICK-OFF

At the SAVOR Gala celebration on September 7, **Paul Scimeca** officially announced our comprehensive campaign. Our goal is to raise at least \$15,000,000 towards the cost of the Sheridan Emergency Department project, as well as other key hospital projects and programs. We plan to complete the construction of the new ED through philanthropy as well as support from New York State such that the hospital will not incur any new debt.

Since that announcement, the campaign has shifted gears to focus on broader community giving. We are counting on a large number of smaller contributions from our generous community to help us reach our goal or even exceed it.

Laurel Sherwood, Cindy Sherwood, Vice President of Development, and Hillary Alycon, AVP, Quality Management and Infection Prevention.

CAMPAIGN MAJOR GIFT DONORS

\$250,000.00-\$999,999.99

Glens Falls Foundation – The Glens Falls Foundation, a community foundation established to support a broad range of nonprofit organizations and projects that benefit the region, made their largest gift to Glens Falls Hospital to date in support of the emergency department expansion and renovation.

Dr. and Mrs. Jay Grossman – The Grossmans are longtime Capital Region residents. Now retired, Dr. Grossman was an allergist with Albany Medical Center. Now the Grossmans split their time between Queensbury and Arizona and remain firmly committed to ensuring north country residents have access to outstanding health care.

William (Bill) & Lisa Powers – Bill is a past chairman of the Glens Falls Hospital Board of Governors and Lisa served for many years on the Hudson Headwaters Health Network Foundation Board. They are intimately familiar with the medical needs of our community. Bill did not hesitate to say “yes” with enthusiasm when asked to co-chair the Campaign for the Expansion and Renovation of the Sheridan Emergency Department.

The Sandy Hill Foundation – As Chairman of the Sandy Hill Corporation, J. Walter Juckett stood out as one of the most influential business figures in the Glens Falls region. Since his passing in 1988, his family has continued to support projects like the Sheridan Emergency Department through the Sandy Hill Foundation.

Stewart's Shops/The Dake Family – The family and employee-owned company, Stewart's Shops, and the Dake family are deeply committed to investing in the infrastructure of the communities that support their stores. They have a long history of support for the healthcare needs of our community and were excited to participate in the Emergency Department project.

Bill & Joanne Stock – Bill was raised in Glens Falls where his mom, Joyce, worked as a nurse at Glens Falls Hospital. After selling their company in Chicago, Bill and Joanne created their namesake foundation. One of their first projects was supporting the renovation of the Joyce Stock Snuggery at Glens Falls Hospital. Bill said, “We are proud and honored to support the Sheridan ED, and we look forward to expanding our involvement in the community now that we are splitting our time between Lake George and Arizona.”
